

Firstly we would like to thank all of those delivering the Parrett talk for helping us by distributing this important update to you all. The New Year is starting very well and it is a busy time getting the shop ready for opening. There is still a lot to do and now is your chance to get involved. The cabin

has arrived and we need some temporary equipment to enable us to open the shop earlier rather than later. We can replace these items with the correct 'fit-for-purpose' equipment when we receive further funding. Are you considering replacing your fridge or freezer in the near future or do you have any of the items listed below that will be needed in the renovation? If the item you are donating is in good and working condition we may be able to use it. Some electrical items will need to be PAT tested to ensure that they are in satisfactory condition.

Upright freezer
Chest Freezer
Upright Fridge
Till

Small stepladder/Elephant footstool to reach top shelves
Wire baskets

Label/Sticker gun

Convex mirror An 'A' board

Magnetic advertising board – External & lockable

Trellis and or screening – up to 40ft

Large paintbrushes

Metal paint for undercoating

Sanders/sandpaper/Wire brushes

Please see over for other ways in which you may be able to help. A more detailed update will be available in the next issue of 'Let's talk Shop' due out in February.

Our last request that is equally as important for the success of the project and is for a commitment which involves money. The form below is for the purchase of Bonds as these are needed to buy initial stock to open the shop. Please dig deep and see how much you are able to afford to support your local community shop. Thank you. *KCEL Management Committee*

I wish to purchase a bond/make a donation of the value indicated below towards the provision of the money needed to help establish the Kingsbury Episcopi village shop. I understand that the bond will not be secured nor bear interest. The Enterprise will use every reasonable endeavour to repay my bond at the end of the fifth year of trading or as soon thereafter as the trading surplus allows. The Enterprise will use every reasonable endeavour to repay my bond in the event of death or in case of hardship, although it cannot be guaranteed. I understand that should the Enterprise fail then, having paid off trade and any other creditors, any surplus monies will be distributed pro rata to repay bonds and, following this, any surplus will be distributed in accordance with model rules. (available to view on our website - www.kingsburycommunityshop.co.uk, or by written request)

I attach my cheque for the amount of £_____ made payable to **Kingsbury Community Enterprise Ltd.**

Please indicate if Bond (£250 and above) Donation (under £250)

Name _____

Address _____

Postcode _____

Telephone Number _____ E-Mail _____

Signed _____ Date _____

Please send/deliver this to The Treasurer, 28 The Avenue, Kingsbury Episcopi, Martock, Somerset, TA12 6BE

Note: Although the Kingsbury Community Enterprise Ltd are not a registered Charity, they are formally constituted therefore monies raised will not be subject to tax.

Please see if you can spare a few hours to fill in some of the blanks. If you can help please contact us on one of the numbers below. This is just a starting point. If you would like to work a different shift to the one allocated to you, please let Sue know. If you can only spare 2 – 3 hours then please let us know. You can either fill in the space/s and deliver it, or call one of the numbers below to discuss the hours/days you would be able to work. Training will be given

Before the shop opens we will need some help in preparing it. A working party is needed to make the outside of the battered and

bruised cabin look more acceptable to the environment. Can you spare a few hours at the weekends to help? Please call any of the numbers below to offer help and let us know when you would be available. We look forward to working with you soon.

JANUARY 28TH 10AM–1PM

Please come along to the Shop to discuss volunteering/helping and ask any questions. We look forward to seeing you there
